CONSENT ORDER

WHEREAS, Helene B. Guerrera of Plymouth, Connecticut has been issued license number 909 to practice as a nursing home administrator by the Department of Health Services pursuant to Chapter 368v of the General Statutes of Connecticut, as amended; and

WHEREAS, Helene B. Guerrera, on October 6, 1988, signed a Consent Order in settlement of Petition No. 870306-36-011; and

WHEREAS, in said Consent Order (attached as Exhibit A) Helene B. Guerrera stipulated and agreed to certain terms and conditions; and

WHEREAS, Helene B. Guerrera failed to comply with terms 3.a., 3.b., and 3.g. contained in the Consent Order, and pursuant to 4.a. she was subsequently notified of said noncompliance.

WHEREAS, Helene B. Guerrera has not practiced as a nursing home administrator or assistant nursing home administrator since 1988.

WHEREAS, since Helene B. Guerrera has not practiced in said capacity 3.c., 3.d., and 3.e., of the original consent order are not applicable.

NOW THEREFORE, pursuant to §19a-17 and §19a-517 of the Connecticut General Statutes, Helene B. Guerrera hereby stipulates and agrees to the following:

1. That she waives the right to a hearing on the merits of this matter.
2. That she has allowed her Connecticut nursing home administrator's license to lapse, causing said license to be considered voluntarily revoked. Her lapsed license shall be forwarded to the Department of Health Services, 150 Washington Street, Hartford, CT. 06106 along with the executed Consent Order.
3. That any re-application for a license to practice nursing home administration shall cause the terms and conditions of the Consent Order dated and signed October 18, 1988 to be given full force and effect.
4. That she understands that this Consent Order is a matter of public record.
5. That this Consent Order shall be effective the day the seal of the last signatory is fixed to this document.
6. That nothing in this Consent Order shall be construed as limiting the powers of the Department of Health Services pursuant to §4-182(c) of the Connecticut General Statutes.
7. That she understands that this Consent Order may be considered as evidence of the above admitted violations in any proceeding before the Connecticut Department of Health Services in which her compliance with §19a-517 of the General Statutes of Connecticut, as amended, is at issue.
8. That this Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, that said order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive her of any rights that she may have under the laws of the State of Connecticut or of the United States.
9. That she has consulted with an attorney prior to signing this document.

I, Helene B. Guerrera, have read the above Consent Order, and I agree and admit to the terms and allegations set forth therein. I further declare the execution of this Consent Order to be my free act and deed.
